卒業写真のあの人は やさしい目をしてる

町でみかけたとき 何も言えなかった
卒業写真の面影が そのままだったから

F G7 C Am F G7 C Am
人ごみに流されて 変わってゆく私を

F/C G7 C Am F/C G7 C C7
あなたはときどき 遠くでしかって

話しかけるように ゆれる柳の下を
通った道さえ今はもう 電車から見るだけ

あの頃の生き方を あなたは忘れないで
あなたは私の 青春そのもの

人ごみに流されて 変わってゆく私を
あなたはときどき 遠くでしかって

When the world gets me down I find myself
F D7 G7
Reaching for that old leather-bound book
F/C G7 Am
And there he smiles the gentle smile I know so well
F/C G7 C C7
And I am back where I used to be

Couldn't speak when I saw you in town
I picked you out easily from the crown
A mirror image of your high school photograph
You took me back where we used to be

F G7 C Am
So won't you be my distant guiding star
F G7 C Am
I seem to lose my way among the crowd
F/C G7 C Am
Once in a while, in a little while
F/C G7 C C7
Come light my way from where you are

Willows spoke, willows swayed to and fro
As we walked hand in hand by the river flow
But now the view has change that I used to know so well
Can't take me back where we used to be

So won't you be my distant guiding star
I seem to lose my way among the crowd
Once in a while, in a little while
Come light my way from where you are
